

Griffith University's South Pacific Centre for Central Banking, Reserve Bank of Fiji, Bank of Papua New Guinea, Central Bank of Solomon Islands, Reserve Bank of Vanuatu

Inaugural South Pacific Central Banking Research Conference

11-13 December 2018 – Holiday Inn, Suva, Fiji

The two-day conference will for the first time bring together South Pacific central bank researchers to share with academics, policy makers, regulators, multilateral organisations, business leaders, civil society, from the South Pacific, Australasia and the wider Asia-Pacific region, current research on the region and to explore vital links between research and policy relating to central banking issues, including financial and private sectors and economic growth and development.

Conference program and registration details coming soon...
